Fall 2009 Schedule and Office Hours:

I am (usually) around during the blank/white times on the schedule, between 8:00 AM and 4:00 PM, though right before a scheduled class is probably not the best time to seek help. If I am here but not in my office, check my door for a note indicating where I may be found. If you would like to guarantee a meeting time, just ask for an appointment.
